THE MINISTER OF LAW, JUSTICE AND COMPANY AFFAIRS (SHRI ARUN JAITLEY): The issue of Judicial Accountability was discussed at the Conference of Chief Justices held in 1990 and on the basis of the broad consensus emerging out of the deliberations, the Chief Justice of India summed up the position as follows:

> "The Chief Justice of the High Court has the competence to receive complaints against the conduct of the Judges of his court and when he receives any he would look into it for finding out if it deserves to be closely looked into. Where he is satisfied that the matter requires to be examined, he shall have facts ascertained in such manner as he considers appropriate keeping the nature of allegations in view and if he is of the opinion that the matter is such that it should be reported to the Chief Justice of India, he shall do so.

The complaints received against the Judges of the Supreme Court and the High Courts are dealt with in the manner indicated above.

The Government is committed to the idea of setting up the Commission to deal with these matters.

The subject matter regarding corruption in lower Judiciary is the concern of the respective High Court in accordance with the provisions of article 235 of the Constitution of India.
